PRESIDENT'S CORNER

During the past month fundamental changes have taken place in the club. Since our association with CALA did not produce the anticipated results and eventually gave rise to rumours of a sale of our club to the South Americans, the executive committee decided to dissolve the connection with CALA.

Our restaurant operator, Anna Turkiewicz, served notice of termination of her contract. This actually happened in April, but since there was no one to replace her, the publication of this change was left in abeyance.

As you may have noticed already, we now have a new restaurateur, in the person of Jennifer Caldwell. Her father is of German stock, which, of course does not guarantee that Jennifer is acquainted with German cuisine, but we can safely assume that she has the desire to serve good German food from our kitchen, and satisfy her clientele.

Anna spoiled us somewhat in that regard, with her very expert, wholesome meals, which we will fondly remember. Anna will be at the club from time to time, to cater some functions. At this point I want to wish Anna all the best for the future and thank her for the great cooperation over the last six years. Our personal connection and our friendship will, of course, continue.

Our "Job Creation Partnership" program is coming to an end on June 28th and thus we have no one who, at no labour cost, will paint this, or fix that. There will also be no one who will

search for grants and funding sources, and finally no one who can build and maintain our website.

However we are retaining the services of Club Manager Chris Wesley and, for the time being part time, our Events and Marketing Director Jody Curtis. Without the enthusiastic and energetic efforts of these two individuals, the numerous rental functions for our halls, which represent the bulk of our income, would not have come about.

In closing I invite you to visit your club frequently and enjoy the offered Gemütlichkeit.

A Note from Anna Turkiewicz:

I really appreciated the business in the German Canadian Club, and we are still available for services. You can contact me at [519-495-7753](tel:519-495-7753) or at home at [519-649-7753](tel:519-649-7753). Thank you all for everything and we will miss you.

Sincerely, Anna and Andrzej

EDITORS DESK

Dear members of the German-Canadian Club,

Our President Bob Walters has informed you of some important changes in the club. Here are some news updates:

Under the administrative leadership of Jürgen Belle, the soccer rooms have gotten a totally new face. In addition, Jupp Rosell was busy, both before and after his hip operation, improving the appearance of the tennis court. We would like to thank both of them very much for their tireless work. Come down to German Club and see for yourself.

When you come to the club, you'll have the opportunity to appreciate the cooking of Jennifer Caldwell, our new Chef in the kitchen. Read more about her on page 3.

In future the club will be forced again to rely on the initiatives and help of volunteers, because from July on we will no longer have paid staff to do maintenance work and repairs.

Many people went to the Sonnenwendfeier and whole event was very well organized. The new "Membership day" may have to sink in a little more. At least there were BBQ items for free and the combination with the Hawaiian Night seems to be a good idea.

As you will have noticed, there is

Welcome to Jennifer Caldwell our new chef in the Club Kitchen

Jennifer got her start early in the hospitality services industry. She began making sandwich trays for her mother's Social Club at the age of 7. Soon she was learning the art of making chocolate and started a small business making and selling custom special occasion chocolates from her grandparents' kitchen, a business which blossomed and ran for over a decade.

Not content to stand still, she took a job as a pastry decorator while still in high school and went on into restaurant management from there. Jennifer has worked in many fields, and has used the experience gained from all of them. We are delighted to welcome her to the German-Canadian Club and are looking forward to enjoying her delicious cooking.
